

Surface Mining Reclamation and Enforcement, Interior

§ 884.17

§ 884.15 State reclamation plan amendments.

(a) A State may, at any time, submit to the Director a proposed amendment or revision to its approved reclamation plan. If the amendment or revision changes the objectives, scope or major policies followed by the State in the conduct of its reclamation program, the Director shall follow the procedures set out in § 884.14 in approving or disapproving an amendment or revision of a State reclamation plan.

(b) The Director shall promptly notify the State of all changes in the Act, the Secretary's regulations or other circumstances which may require an amendment to the State reclamation plan.

(c) The State shall promptly notify OSM of any conditions or events that prevent or impede it from administering its State reclamation program in accordance with its approved State reclamation plan.

(d) State reclamation plan amendments may be required by the Director when—

(1) Changes in the Act or regulations of this chapter result in the approved State reclamation plan no longer meeting the requirements of the Act or this chapter; or

(2) The State is not conducting its State reclamation program in accordance with the approved State reclamation plan.

(e) If the Director determines that a State reclamation plan amendment is required, the Director, after consultation with the State, shall establish a reasonable timetable which is consistent with established administrative or legislative procedures in the State for submitting an amendment to the reclamation plan.

(f) Failure of a State to submit an amendment within the timetable established under paragraph (e) of this section or to make reasonable or diligent efforts in that regard may result in either the suspension of the reclamation plan under § 884.16, reduction, suspension or termination of existing AML grants under § 886.18, or the withdrawal from consideration for approval

of all grant applications submitted under § 886.15.

[51 FR 9444, Mar. 19, 1986]

§ 884.16 Suspension of plan.

(a) The Director may suspend a State reclamation plan in whole or in part, if he determines that—

(1) Approval of the State regulatory program has been withdrawn in whole or in part;

(2) The State is not conducting the State reclamation program in accordance with its approved State reclamation plan; or

(3) The State has not submitted a reclamation plan amendment within the time specified under § 884.15.

(b) If the Director determines that the plan should be suspended, the Director shall notify the State by mail, return receipt requested, of the proposed action. The notice of proposed suspension shall state the reasons for the proposed action. Within 30 days the State must show cause why such action should not be taken. The Director shall afford the State an opportunity for consultation, including a hearing if requested by the State and performance of remedial action prior to the notice of suspension.

(c) The Director shall notify the State of his decision in writing. The decision of the Director shall be final.

(d) The Director shall lift the suspension if he determines that the deficiencies that led to suspension have been corrected.

§ 884.17 Impact assistance.

(a) The State reclamation plan may provide for construction of specific public facilities in communities impacted by coal development. This form of assistance is available when the Governor of the State has certified, and the Director has concurred that—

(1) All reclamation with respect to past coal mining and with respect to the mining of other minerals and materials has been accomplished;

(2) The specific public facilities are required as a result of coal development; and

(3) Impact funds which may be available under the Federal Mineral Leasing Act of 1920, as amended, or the Act of October 20, 1978, Public Law 94-565 (90 Stat. 2662) are inadequate for such construction.

(b) Grant applications for impact assistance may be submitted in accordance with § 886.13 of this chapter.

§ 886.1 Scope.

This part sets forth procedures for grants to States/Indian tribes having an approved plan for the reclamation of eligible lands and water and other activities necessary to carry out the plan as approved. OSM's "Final Guidelines for Reclamation Programs and Projects" (45 FR 14810-14819, March 6, 1980) should be used as applicable.

[60 FR 9981, Feb. 22, 1995]

§ 886.3 Authority.

The Director is authorized to approve or disapprove applications for grants under this part if the total amount of the grants does not exceed the moneys appropriated by the Congress. Such moneys are distributed annually to the States/Indian tribes.

[60 FR 9981, Feb. 22, 1995]

§ 886.10 Information collection.

The collections of information contained in 30 CFR part 886 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 *et seq.* and assigned clearance number 1029-0059. The information will be collected to meet the requirements of Section 405 of the Act, which allows the Secretary to grant funds to States/Indian tribes pursuant to Section 402(g) and which are necessary to implement the State/Indian tribe reclamation program. This information will be used by the OSM to ensure that the State/Indian tribe complies with the Grants Management Common Rule (43 CFR part 12, subpart C) and sound principles of grants management. The obligation to respond is required to obtain a benefit in accordance with Pub. L. 95-87. Public reporting burden for this information is estimated to average 4 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Office of Surface Mining Reclamation and Enforcement, Information Collection Clearance Officer, 1951 Constitution Avenue NW., Room 640 NC, Washington, D.C. 20240; and the Office of Management and Budget, Paperwork Reduction Project (1029-0059), Washington D.C. 20503.

[60 FR 9981, Feb. 22, 1995]

§ 886.11 Eligibility for grants.

A State/Indian tribe is eligible for grants under this part if it has a reclamation plan approved under part 884 of this chapter.

[60 FR 9981, Feb. 22, 1995]

§ 886.12 Coverage and amount of grants.

(a) An agency may use moneys granted under this Part to administer the approved reclamation program and to carry out the specific reclamation activities included in the plan and described in the annual grant agreement. The moneys may be used to cover costs
